

# “Shukatsu” ( job hunting ) Seminar for International Students

May 27th Friday, 16:25~17:55

Graduate School of Science and Technology (GSST) will hold an online seminar for international students who want to get a job in Japan. The instructor from a major job hunting support service for international students “**Ryukatsu**” ([www.ryugakusei.com](http://www.ryugakusei.com)), will explain about the basics of job hunting activities, and how to enhance possibilities of getting hired in Japan. We will also provide a lecture on how to improve Japanese ability by a student who passed JLPT N2, the frequently required level by hiring companies. This seminar will be held in all English. Please do not miss this opportunity.
